A note from the Superintendent

Please remember to help with cart traffic and follow the 90° rule. These photos help show what happens when we do not follow the 90° rule. I took this picture on hole #1 where the cart path turns to go around to the right side of the fairway. We are seeing the turf grass being really worn down from golfers going straight instead of following the path (pic 1). Please remember to follow the path until you are even with your ball and then turn off of the path to proceed to the ball (pic 2).

This will help provide a better playing surface for everyone!

Thanks, and see you on the course!!

"The Widow Clicquot" by Tilar J. Mazzeo

Veve Clicquot champagne epitomizes glamour, style, and luxury. In *The Widow Clicquot*, Tilar J. Mazzeo brings to life—for the first time—the fascinating woman behind the iconic yellow label: Barbe-Nicole Clicquot Ponsardin, who, after her husband's death, defied convention by assuming the reins of the fledgling wine business they had nurtured together. Steering the company through dizzying political and financial reversals, she became one of the world's first great businesswomen and one of the richest women of her time.

As much a fascinating journey through the process of making this temperamental wine as a biography of a uniquely tempered woman, *The Widow Clicquot* is the captivating true story of a legend and a visionary.
