The Other Wes Moore: One Name, Two Fates By Wes Moore

Two kids named Wes Moore were born blocks apart within a year of each other. Both grew up fatherless in similar Baltimore neighborhoods and had difficult childhoods; both hung out on street corners with their crews; both ran into trouble with the police. How, then, did one grow up to be a Rhodes Scholar, decorated veteran, White House Fellow, and business leader, while the other ended up a convicted murderer serving a life sentence? Wes Moore sets out to answer this profound question.

From the General Manager

Excitement is in the air as the cold recedes and warm weather approaches! We are very excited about the upcoming spring season. Our club golf tournaments continue to grow in participation and become more fun and successful. Jim Hickman is working on developing some exciting strategies to help the golf department improve operations and member services and create a more appealing selection of merchandise. Please check next month's newsletter for more pro shop and golf updates. As we move toward spring, Briane and his crew are preparing the greens to keep them at a consistently high quality for our members.

I am working closely with Anastasia and with the Executive Committee to explore additional membership opportunities for the spring. We will keep you updated as we make the final decisions.

Summer seems a long way off, but it's not too early to start thinking about summer camp! Check out the full article in the youth section. The pool season will begin in May as usual, but will close at the end of August due to the September 1st beginning of construction on the new Irish Pub and Sports Bar to be built above the pool area. We are happy to announce that the Seasonal Pool & Social Membership will continue this summer! Please see the full article in the Membership News section for more information.

If you haven't come by yet for our 2 for \$20 dinner nights, please stop by to enjoy delicious food, excellent service, and good companionship. As requested by our growing membership, we have expanded our Food and Beverage offerings to include Thursday Family Nights as well as our Tuesday 2 for \$20 dinners, Friday Theme Nights, and Saturday Breakfasts. If you are not receiving email updates with menus, golf information, monthly statement notifications, and more, please contact Anastasia.

The Food and Beverage department will continue to be busy on Saturday evenings with member sponsored catering events. We appreciate your patience as we continue to balance accommodating our members and meeting the financial needs of the club. We are glad to offer our members the benefit of hosting events at the Brickyard, and the revenue the events bring allows us keep the buildings and grounds in top shape.

I look forward to seeing you around the club!

Membership News

The few warm days we had recently reminded us that spring is just around the corner. As we look forward to warmer days and greener grass, we can also look forward to a great season for membership! It's not too early to start planning for the spring membership drive!

We are very excited to re-introduce our highly successful Buddy Membership Program. We will run the program for only 60 days, so refer a friend today! Please see page 4 for more information. I will be glad to reach out to your friends, colleagues, and family to offer them this rare opportunity. We will also re-run our popular Seasonal Pool & Social Membership Program from May 1st through August 31st. Please see page 5 for more information. We will accept applications throughout March and April, so ask your acquaintances to give us a call to ask about the program!

Additionally, we have made some slight revisions to the Out Town Memberships A and B. Please see the full article on page 5 for more details. If you have any questions, please contact me.

I look forward to seeing all our members on the golf course and in the dining rooms this month!

Dear Members,

It is great to be back with you at the Brickyard. I am still learning all the procedures for the club and members. I would like to thank each and every one of you for your patience during this process.

It is my goal to give our members and their guests the best possible service and experience at the club. We are working hard to arrange golf outings during the slower times of the week, mainly Monday and Tuesday. At this time we have only one event scheduled for February, which will take place from the 14th-16th. This event will be the Hurricane Junior Golf Tour, which was scheduled in February of 2014. We have not scheduled any more events on Saturdays or Sundays in 2015.

Thank you again for being patient with me and the staff as we continue to improve our service.

**Thank you,
Jim Hickman

dren in the near future.**

*If you have any questions or would like to check out the new clothes,
please come by the Golf Shop or call Jim Hickman at 477-6765.*

Golf News

A Note from your Course Superintendent

Well, we survived a fairly mild January. Let's hope this month doesn't turn too cold on us. The weather cooperated and we were able to get a few of the projects done that we wanted to in January.

We fixed the drainage issue to the right of the #5 green. There is an underground water source that keeps the ground wet in that area. We dug out all around the problem area and added drain lines and gravel to the existing catch basin. We then filled in the whole area with gravel and topped that off with landscape fabric, sand, and sod. The sod will take a while to fill in so we will keep that area ground under repair.

We installed a catch basin to the left of the #12 rough where the water would wash out under the big oak tree. We installed some sod around the new catch basin, so we will also keep this area ground under repair for a little while.

We installed a new sidewalk on the backside of the clubhouse by the #1 tee. This gives everyone a clear walking path from the tee up to the grill/back patio area.

We took down and cleaned up some of the dead trees around the course. We took down the tree to the right of #6 that was hit by lightning, the tree on #4 that was killed by pine beetles, and the tree to the right of #1 that was hit by lightning. We cleaned up a couple of downed trees to the right of #3, the downed tree to the left of #12, and the downed trees to the left of #11.

We have finished our winter tree pruning program and started cutting back the cordgrass throughout the course. We will continue that through February.

I have sprayed all the weeds on the course in January and they should start dying out soon. We have scheduled our spring pre-emerge/fertilizer for the 9th of March. That is done on a Monday, and then on Tuesday, March 10th, we will be cart path only. This will help ensure that the chemicals will soak into the soil and that the carts will not burn the grass driving over it. Sorry for any inconvenience this may cause.

Hope to see you on the course!
Briane Faletto, GCS
Class A Superintendent
